To Whom It May Concern;

The Dave and Buster's location in Westminster, Colorado has a long-standing business relationship with Infinity Entertainment / JAMMIN' DJ's. They have helped us develop and promote a few of our "Day of the Week" Promotions, specifically "Tacos and Games" on Tuesday nights from 7-9PM and "Thirsty Thursdays" on Thursday nights from 7-9PM. We have also utilized Infinity Entertainment/JAMMIN' DJ's for other Special Events.

The Infinity Entertainment / JAMMIN DJ's staff has always been prompt, courteous and professional. They understand that while they are helping to facilitate our events, they are a direct reflection and representation of our Company and Store. They have always been flexible with our business needs, and been receptive to feedback when changes needed to be made.

If you're looking to increase exposure of your business, or enhance any promotion or special event, I recommend Infinity Entertainment / JAMMIN DJ's.
