Aaron, just wanted to say thank you to you and the staff at Jammin Trivia. Since you took over our trivia nights we have seen an increase in people playing, food and beverage sales, and even return customers. The style that Jammin Trivia uses for its games is something we've never seen before. Its fun and challenging and keeps the customers engaged and interested, however, its doesn't drag on or seem to slow. We really enjoy having Jammin Trivia at our Pueblo location. Thanks again.

To Jammin Trivia,

We just wanted to thank you for the amazing job you do for our Tuesday Night Trivia. We've seen an increase in participation and sales. We love the interaction between the host and guests. No longer is it just some reading questions. The interaction on tv screens and the different style of questions are better than any other trivia company we have worked with. Thank you for everything you do.
