To Whom It May Concern;

My name is Jerry Paulson and I currently own three World of Beer locations including the one in Midtown Atlanta. I currently use Jammin' DJ for my trivia, and to date, I could not be happier with their services. They are far more engaged than any other trivia provider I've used in the area and they are consistent. Their staff engage the crowd, bring an inviting and fun atmosphere and most of all, they're fun to listen to. From a business perspective, they are incredibly professional and do their part in advertising trivia nights. I highly recommend using this company.

Should you have any questions, please do not hesitate to call or email me directly!
