RE: Recommendation of JAMMIN' DJs

For the past year, my two Sky Zone locations have been using JAMMIN' DJs for special events and have recently started using their service weekly for our GLOW events. We are very pleased with the quality of service, professionalism of their on-site personnel and the rest of the team. They have earned years of business with us.

I have been in the entertainment business for over thirty years and have used countless DJ services. JAMMIN' DJs tops the list. There are plenty of companies that can play music, but we needed an interactive and energetic DJ with personality. We got just that with JAMMIN'DJs. I am very pleased!

If you are looking for quality people, state of the art equipment and a successful event, JAMMIN' DJs is the company to call.

Please feel free to contact me at 970-213-5193 if you want to further discuss how JAMMIN' DJs can exceed your needs and expectations.

Sincerely,

Craig Creasy
Regional Manager
